General description.

This Township, although a fraction contains
some excellent rich farming land, well tim-
bered, with some running water. A French-
man named Goshland has an improvement
in the East half of the S.E. q., where corn
has been cultivated last season. The soil
apparently very rich, between 15 & 20 Acres under
good fence.

T. 28 N., R. 1 E. 2. Mer. Ind.

I hereby certify, that in pursuance of a contract with M. J. Williams, Surveyor General of the United States for the States of Ohio and Indiana, and the Territory of Michigan, bearing date the 27th day of December 1833, and in strict conformity to the Laws of the United States and the Instructions from the said Surveyor General, I have surveyed and subdivided into sections, fractional Township N. 28 North, in Range N. 1 East of the 2^d Principal Meridian, in the State of Indiana. And I do further certify that the foregoing are the true and original field notes of the said survey and subdivision, executed as aforesaid.

Certified this 5th day of December 1834

Thomas Brown

Deputy Surveyor.
